Rahul,

Thanks for introducing yourself to me at the P3 conference last week in San Diego. The project you discussed is very intriguing and Suez is definitely interested in learning more about it.

You mentioned a feasibility study on the project that, redacted, could be shared. If you would please send a copy to me, that will help us in our review. In the meantime, don't hesitate to reach out if I can be of assistance.

Looking forward to working with you and CSU.

Sincerely,

Jim
